DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The phrase "compound not used in step (b) as a crosslinking agent" set forth in claim 1 renders said claim and all depending claims indefinite as one of ordinary skill in the art at the time of the invention would not have been apprised of metes and bounds of the crosslinking agent employed in step b).

Conclusion

3. Claims 1-29 are pending. Claims 1-29 are rejected. No claims are allowed.
